

Obituary

Died: Saturday, June 19, 2021

Richard M. Lara, 45, was a beloved husband, father, grandfather, brother, entrepreneur, friend to many, and most importantly a man of God. He prided himself on loving and worshipping the Lord. His greatest gift from God was his family and he would do anything to help and support them. Richard was the owner of Structure Wire and served countless business with their alarm services and video monitoring in the state of Texas. He always treated his clients with respect and made them feel like they were family. He was never too busy to make time to answer their calls or questions. Richard loved spending time with his family. One of his favorite hobbies was fishing and he never passed up and opportunity to take his sons out fishing or to meet his brothers out at the pier. He was also a die hard Dallas Cowboy fan and loved watching the games. Richard was most proud about being a servant to God. He had a fierce passion and love of the Lord and was always sharing his love with others. You would often find him reading his bible or listening to worship music with his wife Laura and children. He organized the Harvest Christian Festival last year in Brownsville even in the midst of the Pandemic he held on to his faith and was more than determined to spread the gospel with others.

2 Corinthians 10:3 "For though we walk in the flesh, we do not war after the flesh:"

Richard was called to heaven on June 19th 2021, in Brownsville, Texas, after sustaining complications from Covid-19. This was an unexpected and tragic loss and our family is hurting as we try to process, heal our hearts, and honor his memory. All donations will be used for his funeral expenses and to help his wife and children with any thing else they may need.
